

MURRAY

AUTOMOTIVE GROUP

SERVICE ADVISOR

Murray Hyundai White Rock

Are you a motivated, enthusiastic individual with leadership qualities? This is your chance to work with one of Canada's 50 Best Managed Companies. Murray Auto Group is an award winning company with state of the art facilities.

The Qualified Candidate must have experience in Service Advising preferably in the Automotive industry. Must be an effective Team Leader with the ability to wow customers while building strong lasting relationships, must be coachable, and meet tight deadlines. Excellent communication skills, organization, and time management are essential for this role.

Responsibilities include:

- Manage day to day operations of the dealership's service customers to ensure efficiency to meet deadlines for vehicle delivery.
- Ability to assess and recommend multiple service repairs to customers by using *Feature Advantage Benefit* methods.
- Daily training on selling skills and customer relations.
- Interact with all technicians continuously throughout the day and communicate any problems, delivery times or quality issues.

Benefits:

- Above average earning potential
- Opportunities for professional development and learning
- Health Care Plan with full range of benefits
- Draw from a knowledge base of 22 Murray Dealerships across Canada
- A professional, energetic and fun work atmosphere
